Sunday Morning Teaching Programme

Every Sunday at St Thomas' we have a Bible Talk given by one of the ministers at the church. In order to better prepare for our Sunday gatherings we have decided to publish the programme of talks for the next few months.

It would be really helpful if you were able to have a read of the set passage before coming along to church, maybe on Saturday evening, or Sunday morning before you set off. You might even like to jot down a question or two that relates to an issue that's raised or a verse that's hard to understand.

Missed a week?

The Sunday talk each week is recorded, and then available to download from the St Thomas' website or if you prefer as a podcast from the iTunes service.

Listen Again: <http://www.kilnhurst-st-thomas.org.uk>

iTunes: search for 'Kilnhurst' in the iTunes store

Either way, there's no charge to listen again.
